

Opti-1

TECHNICAL SPECIFICATIONS

Product reference: Opti-1 ergonomic document holder

DIMENSIONS WHEN FLAT	855 x 890mm
DIMENSIONS FOLDED	- Length: 495mm - Depth: 307mm - Height: 105mm
SURFACE AREA FLAT	0,760m ²
WEIGHT	450g

MATERIAL: Recycled and recyclable cardboard, with a non-reflective, dirt-proof, non-scratch laminate coating.

QUALITY: Double corrugated EB-Compact GD2 210-Testliner 120-Corrugated 95 | 90 | 90-Testliner 120.

CERTIFICATION: FSC environmental certification (Forest Stewardship Council).

ASSEMBLY: Folding (creased and pre-cut, no glue or adhesive necessary) with cut-resistant finish.

USAGE: Document holder for positioning between the keyboard and the computer monitor, enabling users to ergonomically view documents and take notes when working in front of a computer screen. The open section to the front of the document holder enables the keyboard to be hidden (max. height 3cm, max. width 47cm) when taking notes (close position). The open section to the rear of the document holder can also accommodate the bottom of the monitor stand (max. height 2cm). The Opti-1 can bear a weight of up to 10kg.

PRINT TYPES AVAILABLE

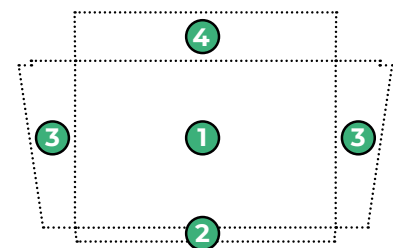

OFFSET*	- 4 colours (Quad) - 4 colours (Quad) + 1 to 2 Pantone colours
----------------	---

*Water-based inks

Packaging: Packs of between 25 and 125 units.
On a flat pallet from 150 units.

Delivery: Within 2 or 3 days for the standard version.
